

## Free Delivery to Bellevue for the Holidays

Back by popular demand! Free delivery to Bellevue just in time for holiday parties and gift giving. We will be over the weekend of December 5 and 6 to celebrate the holidays with our friends Lynn and Judy Logen. We sit around Saturday from 9:00 to 4:30 and Sunday from 9:00 to 1:00 just waiting for people to pick up their wine.

Phone, fax or E-mail you order and we will have it in the Puget Sound area just in time for the holidays.

## Ranting and Raving about Shipping

Now is a good time for my annual tirade against protectionist archaic shipping laws. Some states have made it a felony to ship wine into them. That means they can extradite you and put you into one of their stinking jails. Never mind at the same time, their citizens have broken no law in ordering the wine. I wonder what Christine Gregoire would say if you fought extradition, since there is no such law in the State of Washington? These states are: FL, GA, IN, KT, NC, OK, and TN.

Other states expressly forbid shipping, but only report you to the ATF if you are a winery so they can pull your basic permit. They are AZ, AR, DE, KA, ME, MD, MS, MT, NY, NC, ND, SD, TX, UT, and VA.

The rest of the states are more or less in line for entering the twenty-first century.

There is light at the end of the tunnel. Consumers in Indiana have filed suit against the state for violating their constitutional rights to free trade between the states. Hopefully, this will go to the Supreme Court and the light at the end of the tunnel won't be a locomotive!

## *Bonair Winery*

Harvest is just ending as I write this. We are pressing out the 1998 Late Harvest Riesling. Great numbers, just like the rest of the 1998 vintage! The warm dry weather held throughout the harvest. Look forward to even more wonderful wines from Bonair in the near future.

As winter approaches we want to remind you that we do remain open even though it may snow a little. Winter hours are 10:00 to 4:30 Friday, Saturday, Sunday, and Monday holidays. Someone is usually here mid-week; just call to make sure we are open. We are closed on Thanksgiving Day and Christmas. **Gail**

Celebrate with us Thanksgiving in the Wine Country on Friday, Saturday, and Sunday following Thanksgiving day. There will be wine and food pairings at all participating wineries. Collect your recipe cards and don't forget to sample our wonderful paella paired with that buttery Reserve Chardonnay. We hope you raise your glasses of Bonair Mead on December 21 to celebrate health, love, and happiness! **Shirley**
