

❁ Fielding Hills Winery ❁

This Cabernet Sauvignon is made from 96% Cabernet Sauvignon & 4% Merlot. It was aged for 18 months in French & American oak barrels prior to bottling. The grapes were hand harvested from vineyards located near Mattawa, Washington.

The winery, co-owned by Mike & Karen Wade, is located in Wenatchee, Washington. Together with family & friends, they produce only hand crafted premium red wines using time honored small lot techniques.

The winery name comes from Mike's grandfather, Isham Fielding Wade, who was a pioneer orchardist in the Wenatchee Valley.

Fielding Hills Winery is pleased to announce the completion of their very first commercial bottling of their 2000 vintage Cabernet Sauvignon, Merlot and Red Table Wine.

The grapes were all hand harvested from Riverbend and Beverly vineyards located near Mattawa, Washington. After crushing, the grapes were fermented in small one-ton fermentors and then racked and pressed into a combination of French and American oak barrels (80% new).

After 18-20 months of aging, racking and topping the wines were bottled in April and June of 2002.

The final blends are as follows: Cabernet Sauvignon- 96% cabernet sauvignon & 4% merlot; Red Table Wine- 60% cabernet sauvignon & 40% merlot; Merlot- 76% merlot & 24% cabernet sauvignon.

Each varietal retails for \$25.00 per bottle; 10% discount on case quantities. In an effort to make our supply last the full year, and to expose the wine to as many customers as possible, we are limiting purchases to 3 each of the Merlot and Red Table Wine, and 6 bottles each of the Cabernet Sauvignon (notice how nicely this make for 1 case per person!).
