We welcome another great season in the tasting room with all new releases. The tasting room reopens on Thursday, April 3rd. The regular hours are now **Thursday through Sunday** 11:00-5:00pm, or by appointment. New wines currently available are 2002 PGV (Pinot-Gris – Viognier), 2001 Blue Franc (Lemberger), 2001 Syrah, 2001 Zinfandel and 2000 JTW Port. The 2001 Dr. Wolfe's Family Red will be released in April. Please note below that the Zinfandel is at a featured new price due to greater availability, but at our usual high quality. Release notes are available on request.

2003 Pre-Barrel Tasting: Pre-Barrel Tasting dates are April 18-19 (Friday & Saturday) from 11-5. We will be closed Easter. For those of you who have not attended this event before, it is a preview to Spring Barrel Tasting on April 25-27. We will barrel taste the 2002 Burgess and Zephyr Ridge Zinfandels both weekends. We strongly encourage you to attend the Pre-Barrel Tasting since there are far fewer people and more time to really taste the wines and talk to the winemaker. There is no entry fee for this weekend.

2003 Spring Barrel Tasting: April 25-27. Last year we charged \$5/person entry fee on Saturday only of Barrel Tasting. This was very successful in controlling traffic flow on that normally busy day and we will continue this practice for 2003. We are attempting to limit participants while at the same time welcoming customers into the tasting foom for a great wine tasting experience and the best possible service. The \$5 will be redeemed with a purchase. There is no entry fee charged on Friday or Sunday to encourage greater visitation on those days. We feel that it was important to inform our customers of this policy before arriving at the winery.

2004 Coming Attractions: Sweet Rebecca will be back!!! It will be produced from Orange Muscat grown in the Morrell Vineyard near Benton City. Anticipated release will be April 2004.
